Zube & Student Minds

Supporting Your Child's Wellbeing at University

At Zube we believe that students deserve more than just clean laundry. They deserve support for thier mental health and wellbeing.

Supporting student minds

University can be a challenging and isolating experience for students. At Zube, we prioritise the mental health and wellbeing of our student workforce and community.

To ensure no student feels alone, we have established a comprehensive support network and proud partner with Student Minds, the UK's leading mental health charity for students.

Employment opportunities for your child

Coming Together Is a Beginning; Keeping Together Is Progress; Working Together Is Success

At ZUBE, we are a community rooted in positivity, growth, and connection. As part of the ZUBE family, your child will find a supportive culture that values and celebrates contributions. Each role offers opportunities to lead and make an impact.

We are dedicated to fostering an environment of appreciation and empowerment, promoting belonging throughout their journey with us.

Whether in leadership positions, mentoring, or exploring new opportunities, they will be part of a community that supports personal and professional growth.

When you child joins ZUBE, they are joining a family where support and encouragement are at the heart of everything we do.

A Journey Of Growth & Connection

Where Every Student Belongs: Championing Diversity and Inclusion for All

The Zube Foundation

Empowering the bright minds of tomorrow

The ZUBE Foundation was established to provide funding for sponsorship and scholarship opportunities to children throughout the world who show academic potential, yet face significant challenges in accessing education.

The foundation's unique model ensures that once these children reach adulthood and are in a position to do so, they contribute back to the ZUBE Foundation. This contribution helps support future generations of children, enabling them to receive the same educational opportunities, ensuring the foundations is long/lasting and impactful whilst also tackling inequality.

At Zube we don't just invest in our people, our communities & ground breaking innovation, we invest in future leaders, innovators and changemakers of tomorrow.

JOIN US IN BUILDING A SELF-SUSTAINING LEGACY OF SUPPORT AND SUCCESS, ONE SCHOLARSHIP AT A TIME.

Water Management

Efficient, innovative & subsatinable water use

At ZUBE, water is central to our operations. We recognise the importance of conserving one of our planet's most precious resources. That's why we are currently making plans to implement advanced water recycling systems that go beyond traditional methods, setting new and unprecedented benchmarks within our industry to minimise our environmental impact.

Our laundry units are equipped with cutting-edge laundry machines & also incorporate commercial salt water softeners advanced filtration technology. This system effectively reduces wastewater discharge while enhancing the longevity and performance of our washing machines and ensuring optimal protection for equipment, textiles and the environment.

By prioritising water conservation, sustainability and providing financial support to clean water initiatives throughout the world to areas that need it most, ZUBE is leading the way and pioneering responsible laundry practices – because we believe that caring for your clothes should never come at the expense of our planet.

BECAUSE LAUNDRY SHOULD NOT COST THE EARTH

Zube & B-Corp

Zube is very proud to be certifiied B-Corp

Unlike traditional corporations, which are primarily focused on maximum profits, B Corps commit to balance profit with purpose… Zube really does care about people and the planet.

Achieving B Corp certification signifies that a company is committed to being a force for good, striving for continuous improvement and leadership in corporate responsibility.

What is B Corp?

A B Corp, short for Certified B Corporation, is a certification awarded to businesses that meet high standards of social and environmental performance, accountability, and transparency. The certification is administered by B Lab who evaluates companies based on a comprehensive B Impact Assessment. This assessment measures how a company's operations affect its workers, customers, communities, and the environment.

They aim to create positive impacts for stakeholders, not just shareholders, by embedding values like sustainability, equity, and ethical governance into their business models.
